MEMORANDUM FOR: Deputy Director (Support)

SUBJECT : Proposed Regulation No. [REDACTED]
Project Review Committee

25X1A

REFERENCE : Your memorandum dated 14 January 1955 addressed
to signatories for final coordination of
subject regulation.

1. This Office has concurred in the subject regulation as presented.
2. The deletion of real estate and construction projects, subparagraph 5.a.(3) will result in a situation whereby this Office will not automatically receive notice of such projects involving the expenditure of \$25,000 and less. This Office is required, however, to advise the Bureau of the Budget with respect to all real estate and construction projects. It, therefore, is recommended, in view of the foregoing deletion, that Regulation No. [REDACTED] be revised to provide that this Office shall be advised promptly of all real estate and construction projects coordinated with the Chief of Logistics which are approved.
